About

Welcome to Die Brood Is Hier, a Non-Profit Organization that emerged as a beacon of hope during the early stages of the Covid pandemic. We were founded by a group of compassionate citizens from diverse backgrounds, uniting to aid the less fortunate in their time of need. Our journey began with delivering one loaf of bread to each household in the Alabama community, along with occasional donations of fruits and vegetables, all at our own expense and through generous contributions.

As our mission gained momentum, young men from the community joined our cause, recognizing the scarcity of manpower and offering their support without monetary expectations. Moreover, we were blessed with the assistance of several God-fearing businesses that reached out to lend their support, providing various goods and services that made a significant impact on numerous families. This support even enabled us to extend our reach, distributing soup on the cold days when nourishment was most crucial.

Over time, our efforts have grown exponentially. From initially handing out 100 loaves of bread per day, we have evolved into an organization that proudly supports our public schools with various tasks. Additionally, we now extend our helping hand to our less fortunate seniors, offering assistance with maintenance tasks and repairs. Moreover, we are committed to being there for our community during the most challenging times, providing support with funeral arrangements.

Furthermore, we have undertaken numerous community projects, focusing on the cleaning and repair of local spaces. As Die Brood Is Hier, we believe in the power of unity and compassion. Together, we can make a difference in the lives of those facing hardships, and our dedication to serving others remains unwavering.
